Flex Expands Educational Programs for Producers and Employers ***Flex offering free courses on health insurance and benefits administration***

ROSEMONT, Ill. (April 18, 2012) – Flexible Benefit Service Corporation (Flex) today announced they have launched a more comprehensive educational program for health insurance producers, and human resource and business professionals on health insurance and benefits administration and reimbursement solutions. The series of free webinars and seminars will be offered through the FlexUNIVERSITY™ platform, with some courses offering Continuing Education Units (CEUs) from the Illinois Department of Insurance or credits from the Human Resources Certification Institute (HRCI).

As the outlook for health care reform continues to evolve, employers and producers are seeking out new ways to provide cost-effective health care and benefits. These free, live educational events are tailored to the specific needs of each audience and will educate producers and employers on a variety of options.
